## COMMUNITY LANDSCAPING UPDATE

We have secured a company after multiple bids and communications that will plant our entrance flowers by April 24th. We unfortunately did not have any neighborhood volunteers this year and decided to find a local landscaper to help us beautify our entrance instead.

We look forward to adding fresh, colorful plantings that will brighten entrances, common areas, and neighborhood features in the coming weeks. Thank you for your patience as we finalize arrangements and work to ensure the best results for our community.

# Community Pool Update

The pool cover has been removed as we begin preparing for the upcoming season; **The pool will officially open on May 9th.** Our team is currently completing necessary cleaning, inspections, and maintenance to ensure everything is safe and ready. If you see anyone trespassing in the pool before the open date, please report it. A few reminders when the pool opens:

- **Please help us keep the pool area clean, safe, and ready for everyone to enjoy.**
- **Please roll down and strap umbrellas after use.**
- **Please dispose of all trash and personal items properly.**
- **Be respectful of the space and surrounding areas.**
- **Follow all posted pool rules once the season begins.**

## Tennis Court Maintenance

Please help us to maintain our nice, new tennis court surfaces. We have heard complaints that kids have been playing on the nets and also riding on the courts. Please remind your children NOT to ride anything in the tennis court area or play on our new nets.

If you see the trash cans need to be emptied, please empty them in the larger pool trash bins. We are looking to by bigger trash bins and also a new bench to replace the broken one.

**Please report anything suspicious to [kirkstone-hoa.com](http://kirkstone-hoa.com)**
